

**FIFTH ANNUAL DAYTON AND MIAMI VALLEY
CONSTRUCTION CAREER EXPO
TUESDAY, OCTOBER 5, 2010**

SPEAKER SESSIONS SIGN-UP:

An important part of the Construction Career Expo involves Break-out Sessions where Speakers provide information on Construction Related Apprenticeship Programs during a 15-20 minute chat with the students and their instructors. These sessions are planned to be held in a separate building, near the Coliseum facility. The Expo Committee is looking for volunteer speakers, for one or more of the Break-out Sessions to be held during the Expo, on Tuesday, October 5th.

Instructors/Counselors, thru feedback received in past Expo surveys, have requested Apprentices continue to participate in the Expo, including in the Speaker sessions. Apprentices would be paired with a Coordinator or other lead Speaker.

Please sign below, if you, another Representative of your Program, and/or an Apprentice(s) would like to participate in the Break-out Sessions at the 2010 Construction Career Expo.
